Synopsis

Act I

The story is set in Vienna in the middle of the nineteenth century. Herr Silberhaus and his wife, along with their children, Clara and Fritz, celebrate the holiday festivities with friends and family. During this Christmas Eve night, the guests and their children rejoice in the magical Christmas atmosphere that Herr Drosselmeyer, Clara's godfather, brings to the Silberhaus home. He fills the festivities with magical entertainment, dancing dolls, and toys for the children. Herr Drosselmeyer has a special surprise for Clara, a Nutcracker doll. Overjoyed, Clara dances with her new Nutcracker, but her jealous brother, Fritz, damages the Nutcracker. Herr Drosselmeyer fixes it with his magic powers, and after one final dance, the guests leave.

That night, Clara falls into a deep sleep but is woken by giant mice that menace and threaten her. Herr Drosselmeyer protects her and helps her escape. She finds herself back in the living room where, to her amazement, the Christmas tree grows to giant size, and she is in the midst of a huge battle between an army of tin soldiers and the mice. The Nutcracker doll comes to life and duels with the King Mouse. The Nutcracker ultimately rescues Clara from the King Mouse, whom she distracts by throwing her slipper, thus saving herself from his clutches. Herr Drosselmeyer takes Clara on the first part of a magical journey, the first stop of which is the Land of Snow, presided over by the Snow Queen and her Cavalier.

Act II

Herr Drosselmeyer then takes Clara to the Land of Sweets, where she is met by the Sugar Plum Fairy and her court of angels. Clara recounts her story of battle with the King Mouse. As a reward, the Sugar Plum Fairy performs her famous dance for Clara and invites her to stay and watch while she is entertained by the many Divertissements who inhabit her kingdom.
