To My Personal Friends!

COPYRIGHT MCMXV BY WILL ROSSITER

I take this means of thanking you for the wonderful support you have given me in the past, by playing and singing my song "hits" from time to time, and I appreciate the fact that without your help there would not be any song "hits"—it's just the fact of you all getting together (as it were) and co-operating with me—that makes my songs so successful and popular. As you know, I have had many songs that have passed the "million copy" mark—and it's with a great deal of personal pride that I now offer you my very latest song "**LOVELAND DAYS**", which I personally consider the best song I have ever written, and which (with your assistance) will break all past records in popularity—and develop to be the greatest hit of all "hits" for 1915. I feel from the support I have had from you in the past, that I can count on you now to help me make this song "**LOVELAND DAYS**" an international success. With a million thanks and sincere appreciation for all past favors, I remain,

Songfully yours,

W. R. WILLIAMS.
