THE MOST TALKED OF INSTRUMENTAL PIECE OF RECENT YEARS

"SABBATH CHIMES"

THE GREATEST NOVELTY COMPOSITION ON THE MARKET!

INSIST ON GETTING "SABBATH CHIMES" By F. HENRI KLIKMANN

This wonderfully clever little piece has caused more favorable talk and comment than any piece of music published in recent years. The clever arrangement of the chords, when properly played, give an exact imitation of church chimes. Be the first in your circle of friends to get this piece, get it learned to perfection, and we promise you, you will cause a genuine sensation the first time you play it for your friends.

We show you below extracts from the portion of this piece. Try over and we know you will want a complete copy at once.

To obtain the proper "Chimes" effect, strike each chord firmly and keep loud pedal down throughout.

HERE IS A PORTION OF THE SECOND MOVEMENT

Andante con espressivo

STILL ANOTHER MOVEMENT, PRETTIER THAN EVER

Andante cantabile

melodia marcata

This piece is on sale at all up-to-date music counters. Stop in and ask to have it played. If for any reason you cannot obtain copy from your dealer, send 15c in stamps or silver and complete copy will be mailed immediately.
